

The Hearing Voices Approach

2 Days

This course is the perfect starting place if you are new to the Hearing Voices Approach.

By the end of the two days you will have a solid understanding of the hearing voices approach and how to apply it in many practical settings, either for yourself, in your work as a mental health professional or in your family/home environment.

Hearing Voices Group Facilitation

1 Day

This interactive 1 day workshop is great if you want to start and/or (co-)facilitate a Hearing Voices support group.

By the end of the workshop you will feel confident as a facilitator and have a great understanding of what it takes to start a Hearing Voices support group.

You will need to have done 'The Hearing Voices Approach' training to sign up for this workshop.

Voice Profiling

1 Day

This course is the natural progression from 'The Hearing Voices Approach'. Voice profiling is a set of accessible tools and strategies that help build greater awareness and understanding of a person's voices.

By the end of the day you will have an excellent understanding and practical experience of the 'Maastricht interview' and of 'Mind mapping'.

You will need to have done 'The Hearing Voices Approach' training to sign up for this course.

Using Your Story in Peer Work

2 Days

It is common strategy for Consumer & Peer Workers to use their story in their work.

In this workshop we look at strategies for sharing our stories in peer work contexts so we can have the necessary impact, preserve our personal boundaries and privacy, and stay focused on the reason for telling the story.

Group Facilitation for Peer Workers

2 Day

This interactive, practical workshop is ideal for any current or aspiring peer workers wanting to learn how to facilitate recovery based, peer-led support groups.

This course is not specific to hearing voices and could be useful for any peer facilitator who needs an introductory course on how to get started.
